The Board of Directors of Niagara Falls Memorial Medical Center has established that this hospital is committed to serving patients whether or not they can pay for all or part of the essential medical services they receive.

Further, under no circumstance shall the hospital ever divert a person seeking emergency health care based upon ability to pay or source of insurance.

No health insurance?

Memorial Medical Center’s financial counselors will help you determine if you or your family qualify for New York State Medicaid or Family Health Plus for future health needs.

Call 716-278-4112 or 716-278-4026 to schedule a confidential interview.

Health insurance benefits used up?

Memorial Medical Center is committed to helping you get the care you need.

The hospital has a comprehensive financial assistance program that matches your asset/income level to your charge level. If your income/asset level is at or below 100% of the Federal Poverty Level, you may qualify for charity care.

If your income level is from 101% to 300% of the Federal Poverty Level, you may qualify for financial assistance.

To apply for this aid, please call the Credit Department at 278-4568 and request a financial aid application. You will be asked to provide proof of income and other information. A decision will be made within 30 days after all information is turned in.

Payment arrangements

Some patients will not qualify for patient assistance. The hospital recognizes that you may not be able to immediately pay the full balance on your bill. Please contact the Credit Department at 278-4568 to make individual arrangements.

No primary care physician?

Our primary care center provides quality care for patients all ages, including routine obstetrical care.
