Who We Are

CARE MANAGEMENT

Niagara Falls Memorial Medical Center Health Home is a coordinated care management program providing services to all Medicaid eligible clients with chronic conditions in Niagara County.

COMMUNITY

We are a Health Home that is deeply rooted in the community. We believe that connecting with our community is a vital part of who we are. After all, it's in our name!

OUR VALUES

As a commitment to our values - collaboration, commitment to excellence, community, compassion, courage and customer service - our staff goes the extra mile for our clients.
